

How would you like to memorize and know the 77 major events of the Old Testament in chronological order, so that you could readily find what you need in the Bible?

You can!

Over 93% of over 10 million participants over the past 25 years have accomplished this.

Tony Evans says,

“It is every pastor’s hope that his people would desire for themselves that constant flow of the Word of God into their lives. Walk Thru the Bible provides a proven method for accomplishing that goal in an exciting way.”

In just a few action-packed hours, the world’s most popular Bible-based seminar will change your life and the lives you touch forever.

Your dynamic instructor will lead you in a highly creative, interactive learning adventure that is as much fun as it is effective.

Using hand motions, catch phrases, and group review, you’ll understand the Old Testament like never before. It will rekindle your desire to read the Bible and pray daily.

On more than one occasion, we have enjoyed the ministry of Walk Thru the Bible Seminars. Our congregation has been made alive in their minds to God's Word. Quite frankly, I know of no other ministry today that so clearly and consistently helps people grasp a survey of the Word of God better than Walk Thru the Bible.
